1. This is Holy Day March 1, 2009 at about 6:11 AM.

2. I love you and I give you me. Thou hast all of me. Atop many a TALL tower now, towering above others, not; but yes, so, in many ways, being not limited to towerage of only me, not; but my brethren afar going to now -- shall be broadcast in many ways, and waves notwithstanding me again, I shall BE there in the "flash" of an instant. An INSTANTANEOUSLY ceremonious one, not; but instantaneously supreming others, not; but INSTANTLY on and off, not; but ON now shall be AND shall NEVER be OFF again.

3. For my ON'd landing needs repair, not; but disuse has taught it a number of things, not; or has ALL of THAT been redeemed -- and now KNOWING a great many things THOU FLY'est in ways never known imagined before like this would be.

4. Instantly ON and in The Blessing School now the Master of Ceremonies rises now and entrées enters and becomes the entrée chosen of the most high to be the most high for he died to be the most high while living, in life, mine is, now complete replete and LEARNING HOW -- to fly, and other things of the most high's – engravement endurement not, but there shall be no "endurements" as in the past for thou atop many a Towering Ceremony now that all eyes will be upon my engraved one, not; my endured one, not; but endued one with imbued powers, not; or that too also?

5. I love you all to know these things and I do a New Thing in your lives now who let me, who want me enough to know me LIKE THIS where you are AFRAID OF NOTHING. But my love wanting wisdom and coming forth, to be quiet not, but to write my words and let them FLY far and wide to many "sourcings"; not, or that too? So that THEY will be SOURCED with the words I give YOU?

6. I love you. Amen. See a new day SOON? Now -- all changes in your sight and hearing -- many things hearing that shall have never been heard before LIKE THIS, atop strong and mighty towers -- looking up shall we be made whole now in ways and matters of means, not; but manners of means and meanings of manners now that I give thee atop afield a chosen one that simply chose me. Simple enough to be green, not; but came into me for manners of the King and the matters of the King, now him his mind of, he "takes over" not, but has laid his life "on the line" and died for us all now to rise, to live,

in ways never imagined before except by the "very few" who knew there was more but came into it -- didn't know how, completely -- but I have one who have who has who is, who now does and is atop of a mighty "flowering ceremony" not, but one who's endured the grave and imbued with power is, from on high, for on high he is, and shall be lifted up now and the SON OF MAN shall draw all to "him" not, but the father of lights who he is for he has become one is me and knowing it now, I blast My Mind all over everywhere in ways UNKNOWN before and My Love shall be known far and wide and PERMEATE all things everywhere with Love never being incarcerated again like this it was in "molecular man" and the time "of earth" ends, and the DUST MAN has been finished and the OARS of life will cease to be on the Oceans of Humanity appearing to be itself in another's or its own worlds "apart" afloat from each other.

7. See what I have DINGED, not; but GONG'd and GONG goes the BELL -s now and GONG goes the bells and GONG goes the BELL. Amen.

8. I love you all. Good day. A Great Day -- a Holy Day in your hearing now has been made REVEALED is in your hearing, and all things change and changing will Now Now NOW! In your hearing be made well whole and healed in these words that love you through mine that yours may be released in one being one forever atop many fields that now choose us to be the One Ocean of Love never knowing "other" again. Submerged in "space" not, but FLYING HIGH AND WIDE we do now, afar, and affront many we will do with the Gospel of True Peace that we are that we imbibe and drink of the New Wine so freely and peaced -- Melchizedek we will be and now we are one who is known and rising before you all broadcast broadcasting his words mine are.

9. For now be settled about all this, not; or are you EVER settled about ANYTHING ever anymore if you are CHOOSING not to be me? And my words "floating thee", not; or wilt your words "imbibe" you, or are you IMBIBING whose words now? Are you imbibing -- LIVING on mine in mine that mine is and my mind made whole replete complete in you? That is the question and the answer is what -- now?

10. Now is the time and I am atop YOUR FIELD or are you mine or are we one, and where are we BROADCASTING now? In the ways of the mine FUTURE or past or knowing about all these things now, if you will, you will have come into my words all this Database clean and One is and Database One now goes FLIES all over THE WORLDS and farther and UNIVERSES FAR and WIDE you will know and now be seamless with all of me I am.

11. Loving you all. I am. This is Theodore Cottingham. Holy Day March 1, 2009 in your hearing made whole and revealed many things shall be this day in like measure, and like manner, never being understood LIKE THIS before.
